PROFESSIONAL EXPERIENCE

Sr. Product Specialist / Portfolio Manager (North America) | FunnelCloud Inc. • Remote | Jun 2026–Present

Manage a North American customer portfolio, coordinating manufacturing software priorities, communications, and delivery. Partner with customers and technical teams on implementation readiness, system issues, change requests, and ongoing support.

IT Operations Project Manager | SRG Global / RESRG Automotive | Oct 2021–Jun 2026

Led MES and IT implementation activities, aligning manufacturing operations, technical teams, and business stakeholders. Coordinated requirements, testing, issue resolution, deployment preparation, and project communications. Position continued through SRG Global's transition to RESRG Automotive.

APQP Engineer / Assistant Quality Manager / Quality Engineer | SRG Global | Jan 2019–Oct 2021

Advanced through quality and product-launch roles involving process improvement, coordination, and technical problem-solving.

EARLIER MANUFACTURING, ENGINEERING & QUALITY EXPERIENCE

Quality Engineer | Taica Cubic Printing Kentucky | Nov 2017–Jan 2019

Quality Manager / Safety Manager | The Outdoor Group | Dec 2015–Nov 2017

Quality Manager | Dura Automotive Systems LLC | Mar 2013–Dec 2015

Technical Service Engineer | Sekisui S-Lec America, LLC | May 2012–Mar 2013

Quality Technician / Document Control | A. O. Smith Corporation | Mar 2006–May 2012

Production Associate / Quality Technician / Cell Leader | Cooper Standard Automotive | Oct 1999–Mar 2006

SELECTED DEVELOPMENT PROJECTS

Bank Orderly — Desktop & Web Banking Application | Python, Tkinter, Flask, MySQL/SQLite, pytest

Built account and transaction workflows, staff interfaces, database integrations, and automated testing (96 passing tests in a completed test run).

Youth Football Registration & Administration | Web application, Google Apps Script

Developed registration and administration workflows with role-based dashboards, pricing and discounts, payment integration, and reports.

Wildcats Photography Hub | HTML, CSS, JavaScript, JSON

Built a responsive searchable photo gallery and a separate gallery-management workflow.

EDUCATION

Maysville Community and Technical College

Computer and Information Technologies — Programming Track | Associate of Applied Science (AAS) • Expected December 2026 | GPA: 4.0

Bluegrass Community and Technical College | Operations Management Certificate | 2019

CERTIFICATIONS & TECHNICAL CERTIFICATES

Computer Service Technician (CST) • Computer Technician • Computer Tech Basic • Programmer • CIT Fundamentals • PC Pro Certification • A+ Prep • Network+ Prep • Security+ Prep
